*You Only Live Once,
But If You Work It Right,
Once Is Enough*

—Fred Allen

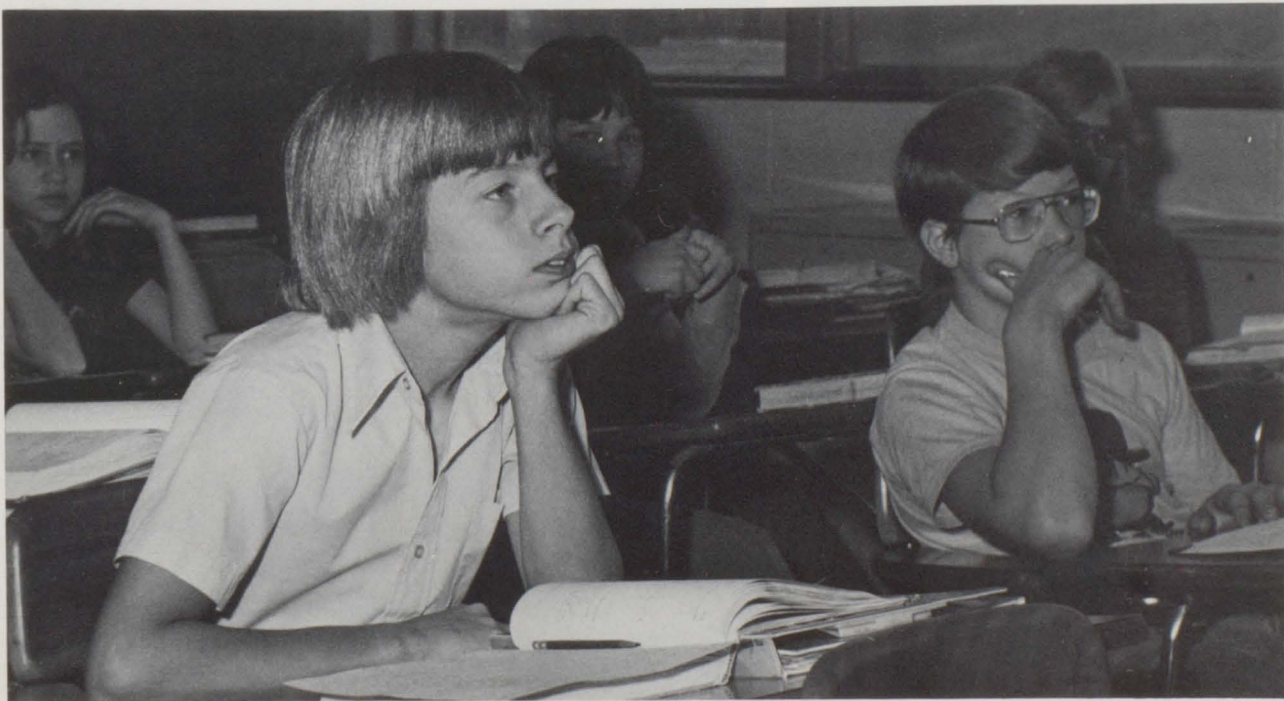

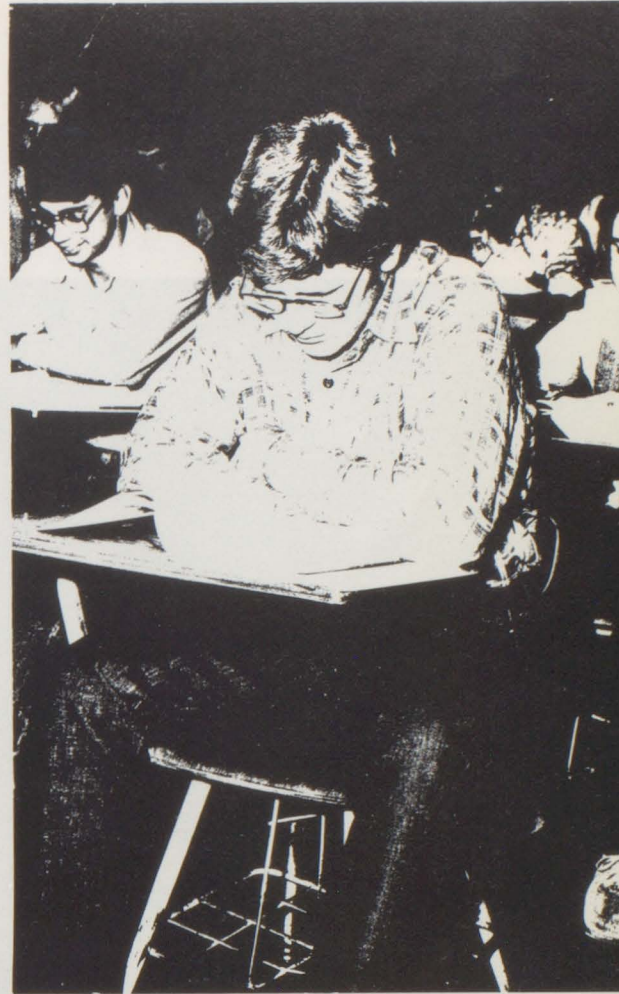

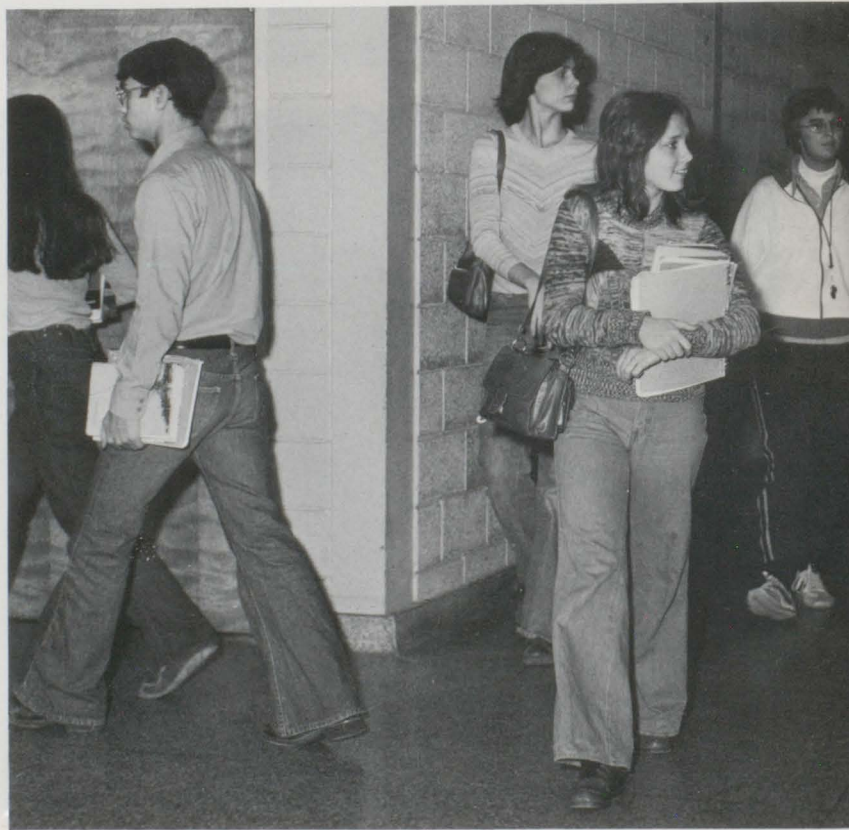

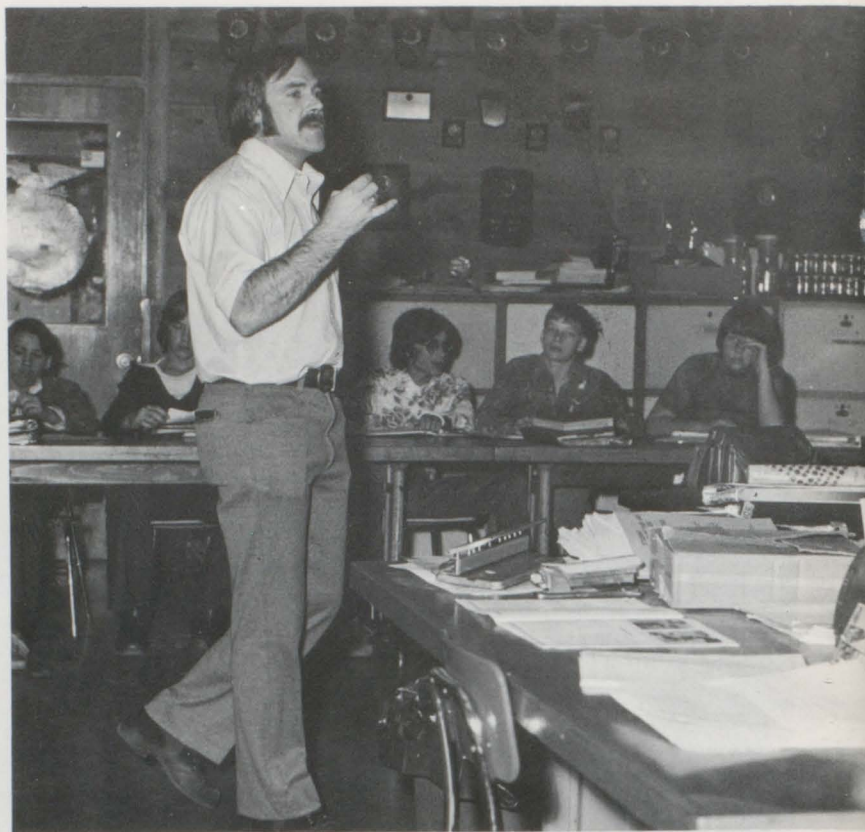

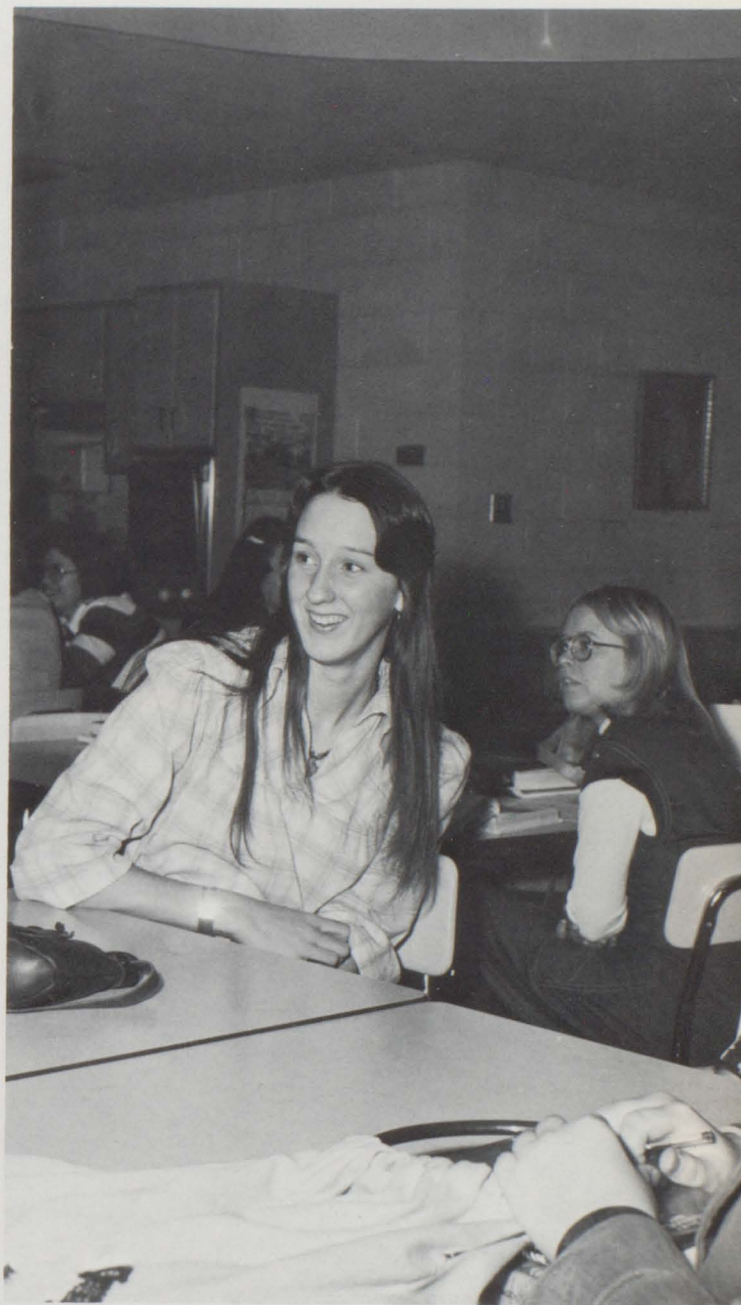

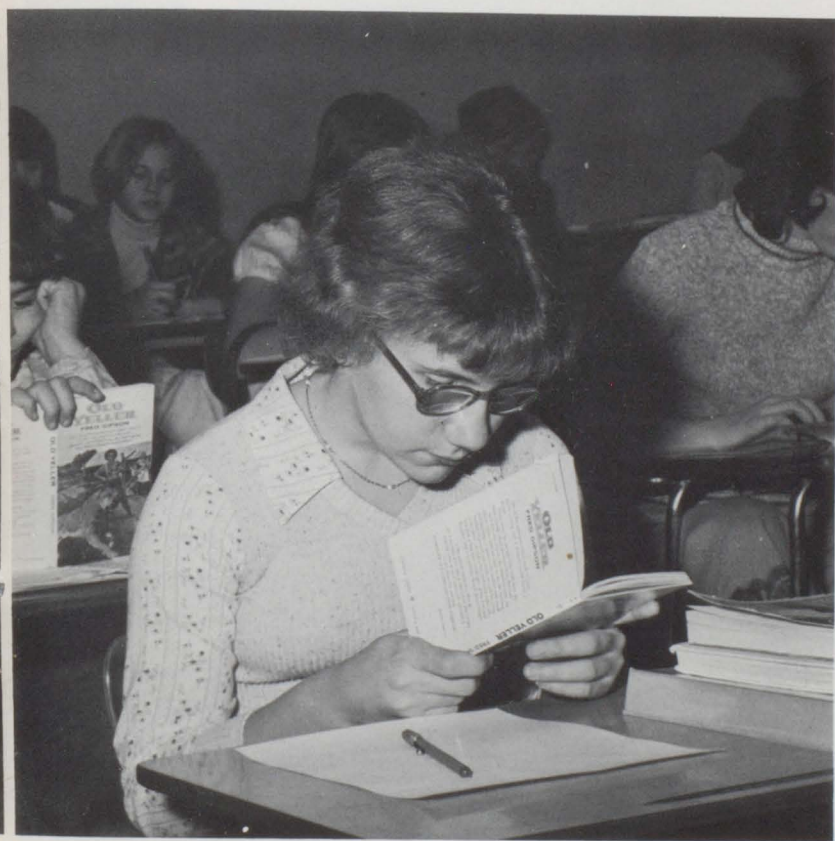

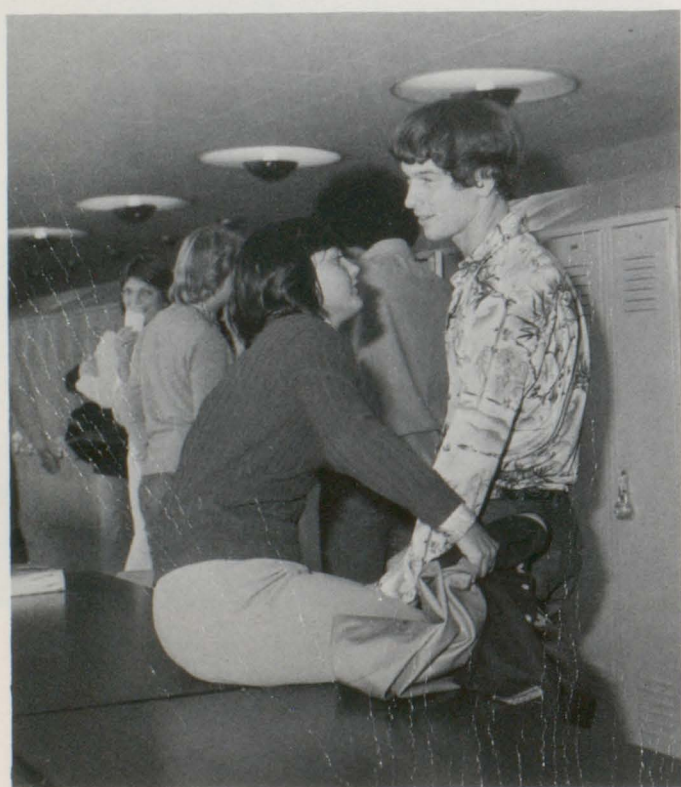

We Make Our Own Reality. —R. M. Koster

"I Got A Name"

*Like the pine trees lining the winding road,
I got a name; I got a name.
Like the singing bird and the croaking toad,
I got a name; I got a name.
And I carry it with me like my daddy did,
But I'm living the dream that he kept hid.
Movin' me down the highway,
Rollin' me down the highway,
Movin' ahead so life
Won't pass me by.
Like the north wind whistlin' down the sky,
I got a song; I got a song.
Like the whippoorwill and the baby's cry,
I got a song; I got a song.
And I carry it with me and I sing it loud;
If it gets me nowhere, I'll go there proud.
Movin' me down the highway,
Rollin' me down the highway,
Movin' ahead so life
Won't pass me by.
And I'm gonna go there free.
Like the fool I am and I'll always be,
I got a dream; I got a dream.
They can change their minds but they can't change me.
I got a dream; I got a dream.
Oh, I know I could share it if you'd want me to;
If you're goin' my way, I'll go with you.
Movin' me down the highway,
Rollin' me down the highway,
Movin' ahead so life won't pass me by.*

“Your World”

*Your world is as big as you make it.
I know, for I used to abide
In the narrowest nest in a corner,
My wings pressing close to my side.*

*But I sighted the distant horizon
Where the sky line encircled the sea
And I throbbed with a burning desire
To travel this immensity.*

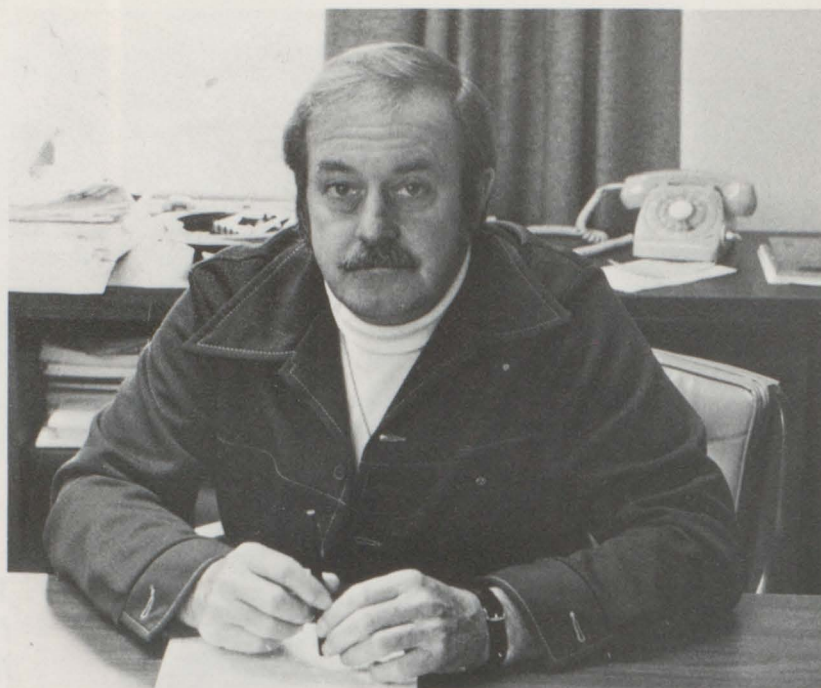

*I battered the cordons around me
And cradled my wings on the breeze
Then soared to the uttermost reaches
With rapture, with power, with ease!*

“Living”

*The fire in leaf and grass
So green it seems
Each summer the last summer.*

*The wind blowing, the leaves
Shivering in the sun,
Each day the last day.*

*A red salamander
So cold and so
Easy to catch, dreamily*

*Moves his delicate feet
And long tail. I hold
My hand open for him to go.*

Each minute the last minute.

“Myself”

*I have to live with myself, and so
I want to be fit for myself to know;
I want to be able as days go by
Always to look myself straight in the eye;
I don't want to stand with the setting sun
And hate myself for the things I've done.*

*I don't want to keep on a closet shelf
A lot of secrets about myself,
And fool myself as I come and go
Into thinking that nobody else will know
The kind of a man I really am;
I don't want to dress myself up in sham.*

*I want to go out with my head erect;
I want to deserve all men's respect;
But here in the struggle for fame and pelf,
I want to be able to like myself.
I don't want to think as I come and go
That I'm bluster and bluff and empty show.
I never can hide myself from me,
I see what others may never see,
I know what others may never know,
I never can fool myself—and so,
Whatever happens, I want to be

"A Kind Of Waking Trance"

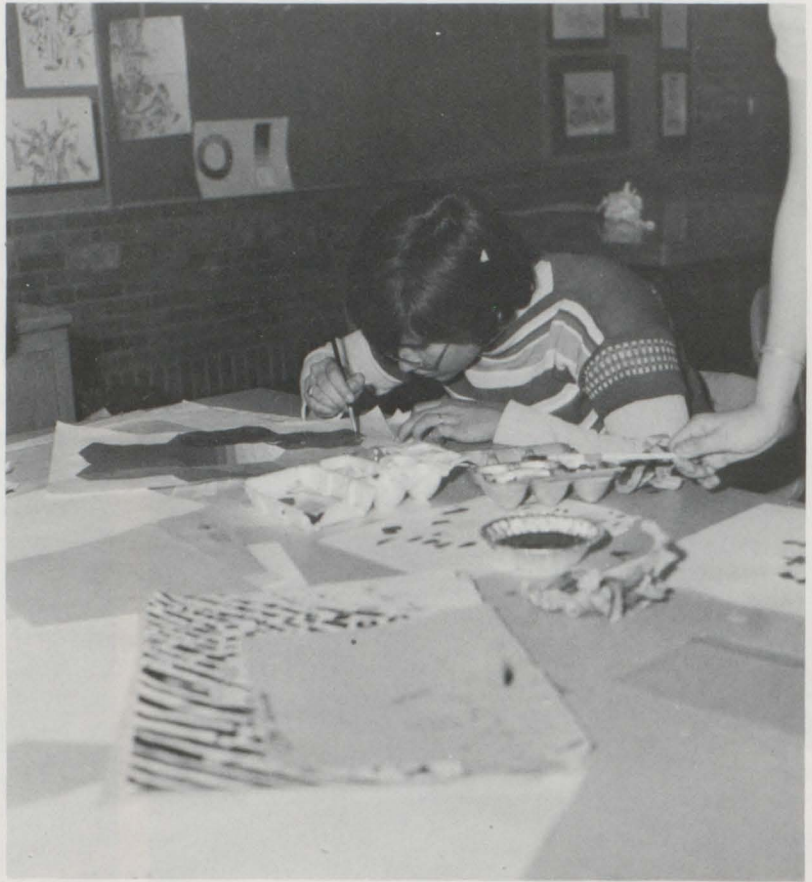

*A kind of waking trance
I have frequently had,
Quite up from boyhood,
When I have been all alone.
This has generally come upon me
Thro' repeating my own name
Two or three times to myself silently,
Till all at once,
As it were out of intensity
Of the consciousness of individuality,
The individuality itself seemed to dissolve
And fade away into boundless being,
And this not a confused state,
But the clearest of the clearest,
The surest of the surest,
The weirdest of the weirdest,
Utterly beyond words,
Where death was an almost
Laughable impossibility,
The loss of personality (if so it were)
Seeming no extinction
But the only true life.*

"The Last Spring of 1976"

*Tell me why my mind sometimes
Dwells upon recollections.
They are merely memories.
Yet, memories entice me so.*

But why?

*Memories are actually worthless to
Me in the present.
My life is too short to
Spend dreaming of my past.
If I live in my past, the life I have yet to
Experience, will soon pass me by.
And I don't want THAT to
Happen.*

But why?

*Why am I so easily attracted to
Memories.*

*They enchant me.
They desire my mind.
They lure me.
They mislead my thoughts.
They carry me far from reality.
They allow sensational thoughts to drift through-
out my mind.
They sooth and comfort my mind.
They enlighten my spirit!*

That is why I MUST recall

The Last Spring of 1976.

*As my life goes on I believe
Somehow something's changed.
Something deep inside, a part of me.
There's a strange new light in my eyes,
Things I've never known, changing my life,
Changing me.*

*I've been searchin' so long
To find an answer.
Now I know my life has meaning.*

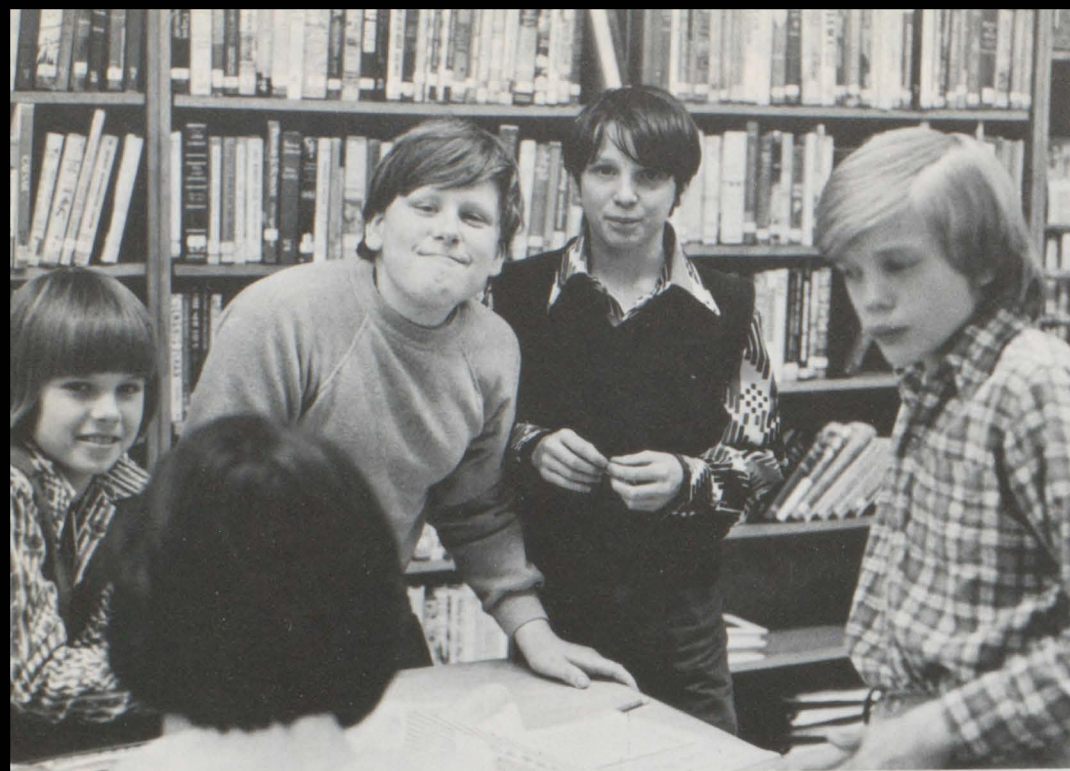

*Now I see myself as I am,
Feeling very free,
Life is everything it's meant to be.
When my days have come to an end,
I will understand
What I left behind; a part of me.
I've been searchin' so long
To find an answer.
Now I know my life has meaning.*

*Searchin' for an answer, to the question,
"Who am I?"
Maybe it's true, it's only nat'ral,
Good things in life take a long time.*
